

Motivation to our students:

Congratulations on your remarkable recognition at the SAICE Student Awards.

Your dedication, hard work, and innovative spirit have brought great honor to your university and set a shining example for future civil engineers.

This achievement is not only a reflection of your technical skills but also your commitment to making a positive impact in the field of civil engineering and the communities you serve.

Keep pushing boundaries, stay curious, and continue to lead with passion and integrity. The future of civil engineering in South Africa is bright because of talents like you.

Your efforts inspire us all to strive for excellence and build sustainable, resilient infrastructure for generations to come.

With utmost admiration and encouragement.
